

DIVINE SOURCE ENHANCEMENT HEALING

TWO DAY WORKSHOP

TAKING REIKI TO A WHOLE NEW LEVEL

Kevin Robb from Adelaide has been using healing energies since 1996 and has developed 'Divine Source Enhancement Healing' (DSEH). It has been developed directly through spirit, utilising unconditional love, the breath and the channelling of divine cosmic energies.

The intent is to heal the client on all dimensional levels of their existence. The healing may transform any negative thought forms, pain and subconscious or emotional blockages the client may have. The intent is also to raise their consciousness, perception, strength and will as well as psychologically, emotionally, spiritually and physically healing the client on all 984 dimensional levels of their existence, positively. The healing is done in line with their highest good. DSEH is a truly unique healing modality.
